I really want those sax music sheets

I know it's only been like a month since release, but the sax lines in this EP (particularly in this song) are too good not to try to learn. If anybody knows where I can get a hold of them, that'd be awesome, and if you haven't already, give this project a listen, it's very good!

Artist Program

Santiago, reach more audiences, find and connect easily with your fandom and other artists, and shape the Hub with your very own groove with an artist profile. Join our **Artist Program** today, and give your fans new content to look forward to.

What's in it for you:

- Post about releases and events with audio snippets or whole songs
- Connect with artists akin to your music taste and find artists looking for features
- Start communities and get revenue from interactions within them
- A badge will show next to your handle showing you are a verified artist
- If you so choose we may email you about sponsorships, events and label deals that might interest you
